

REMARKS

This application is already indicated as being in condition for allowance.

The present amendment to the narrative portion of the specification is responsive to the Notice of Drawing Inconsistency With Specification mailed April 4, 2007. Such Notice states that Figures 14A-14C are contained in the drawings but are not listed in the Brief Description of the Drawings in the specification. Applicants have eliminated the identified inconsistency by way of an editorial correction to the specification itself.

Issuance of the present application is respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
